

Chief Financial Officer

Tadashi Takahama

Biography

About

Tadashi Takahama has been the CFO of NEC Australia's Finance and Controller function since June 2015. Takahama-san is responsible for ensuring compliance with NEC's financial policies, corporate financial consolidation, taxation management, J-SOX compliance, financial governance, credit control and treasury activity. His role also covers that of NEC's company secretary.

Over the past 20 years, Takahama-san has held various financial and business management roles across the region.
